

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF GEORGIA  
NEWNAN DIVISION

UNITED STATES OF AMERICA,

v.

DONTAVIUS PRATHER,

Defendant.

CRIMINAL FILE

NO. 3:18-cr-13-TCB

**ORDER**

This case comes before the Court on Magistrate Russell G. Vineyard's final report and recommendation (the "R&R") [175], which recommends denying Defendant's motions [91, 92] to suppress evidence resulting from execution of search warrants. No objections have been filed.

A district judge has a duty to conduct a "careful and complete" review of a magistrate judge's R&R. *Williams v. Wainwright*, 681 F.2d 732, 732 (11th Cir. 1982) (per curiam) (quoting *Nettles v. Wainwright*, 677 F.2d 404, 408 (5th Cir. Unit B 1982)). This review may take different forms, however, depending on whether there are objections to the R&R.

The district judge must “make a de novo determination of those portions of the [R&R] to which objection is made.” 28 U.S.C. § 636(b)(1)(C). In contrast, those portions of the R&R to which no objection is made need only be reviewed for “clear error.” *Macort v. Prem, Inc.*, 208 F. App’x 781, 784 (11th Cir. 2006) (per curiam) (quoting *Diamond v. Colonial Life & Accident Ins.*, 416 F.3d 310, 315 (4th Cir. 2005)).<sup>1</sup>

After conducting a complete and careful review of the R&R, the district judge “may accept, reject, or modify” the magistrate judge’s findings and recommendations. 28 U.S.C. § 636(b)(1)(C); *Williams*, 681 F.2d at 732. The district judge “may also receive further evidence or recommit the matter to the magistrate judge with instructions.” 28

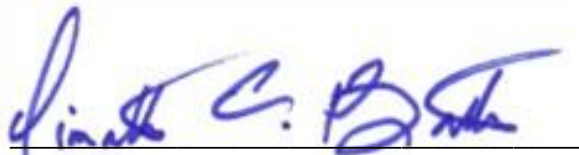

---

<sup>1</sup> *Macort* dealt only with the standard of review to be applied to a magistrate’s factual findings, but the Supreme Court has indicated that there is no reason for the district court to apply a different standard to a magistrate’s legal conclusions. *Thomas v. Arn*, 474 U.S. 140, 150 (1985). Thus, district courts in this circuit have routinely reviewed both legal and factual conclusions for clear error. *See Tauber v. Barnhart*, 438 F. Supp. 2d 1366, 1373–74 (N.D. Ga. 2006) (collecting cases). This is to be contrasted with the standard of review on appeal, which distinguishes between the two. *See Monroe v. Thigpen*, 932 F.2d 1437, 1440 (11th Cir. 1991) (holding that when a magistrate’s findings of fact are adopted by the district court without objection, they are reviewed on appeal under a “plain error standard” while questions of law always remain subject to de novo review).

U.S.C. § 636(b)(1)(C).

The Court has conducted a careful and complete review of the R&R and finds no clear error in its factual or legal conclusions. Accordingly, the Court adopts as its order the R&R [175]. Defendant's motions [91, 92] to suppress evidence are denied.

IT IS SO ORDERED this 26th day of July, 2019.

A handwritten signature in blue ink, appearing to read "Timothy C. Batten, Sr.", is written over a horizontal line.
